Product Description

Mortar and pestle are functional from ancient times to still now to prepare ingredients or substances by crushing and grinding them into a fine paste or powder. They are also known as mortar grinding machines. Choose the natural round mortar pestle set of the size you want from the variety store of CRAFTS ODISHA.

Material: Sandstone / Redstone **Dimension(HWL):** 4 x 6 x 6 inch

Characterization of the elemental stone sculptures:

- The above stone sculpture is a Sandstone natural round mortar pestle.
- Technology in the present time has scraped most of the ancient instruments. There still exist some ancient types of tools that are unreplaceable.
- The rich working surface enables the effective use of Mortar and Pestle
- Pestle is cylindrical while Mortar is a round face bowl.

The uses of the mortar pestle :

- Very useful for grinding spices, herbs, and roots in the traditional way.
- This tool can even maintain purity at the same time. Certainly, the smaller fine ingredient can easily break through the systemic barrier.
- Smaller refined versions of the mortar and pestle have continued to find use in kitchens for preparing pastes and other finely ground elements of cuisine, in pharmacies for preparing medicines, and in chemical laboratories.
- Place the substance to be ground in the mortar. Press and rotate the pestle onto it until the desired texture is achieved.

Cleaning guide for the Mortar pestle set:

- All you need to do is clean your stone sculptures with a sponge soaked in water and soap.
 - Preferably use a non-abrasive cleaning product.
 - Then dry with a soft cloth or microfiber cloth, preferably, and the statue will shine like new.

Product Description

The traditional rubbing stone Chandan Patta is a method in India to get the best paste of Chandan or to make Kids Ghutti & grinding some herbs or for Puja purposes.

Material: Sandstone / Redstone **Dimension(HWL):** 2 x 5 x 5 inch **Characterization of the elemental stone sculptures:**

- The above stone sculpture is a Chandan Patta made from Sandstone stone.
- It's a round-shaped unsharpened sculpture with a coarse surface that helps the grinding process.
- Whether detailed or plain, the artisans of Odisha never fail to appease the buyer with their prowess in carving stone sculptures.

The uses of the Chandan Patta:

- Very useful for rubbing sandalwood or any other wood intended for religious purposes.
- The Patta can be used as a base for small statues.
- You can place Kalash over it also for adequate stability and put it on the threshold.
- You can make use of the Chandan Patta with a lamp / candle. It might just be an excellent spot for it.
- You could throw any small statuette in the Chandan Patta.

Cleaning guide for the Chandan Patta:

- Make the statues look all new at any time. You may be wondering how to keep it clean? Here are the things you need to do.
- Submerge the sculpture in the water. Wash the sculpture with a clean cloth or sponge dipped in soapy water. Use the brush dipped in soapy water to clean the harder-to-reach areas. (the tiny holes).
- Dry the sculpture with a soft clean dry towel to remove excess moisture.
