This statue is made out of the Sandstone which is highly absorbent. Because of the hardness of individual grains, uniformity of grain size and friability of their structure, some types of sandstone are excellent materials to make grindstone, for sharpening blades and other implements. Here the apsara or the dancer is depicted attractively playing a curved shahnai, with mesmerising expressions covering her face and standing with beautiful bhangi. Apsaras are beautiful, supernatural female beings. They are youthful and elegant, and superb in the art of dancing. So bring home this pre-possessing statuette to enhance the beauty of the house or office.
