Product Description

This palm leaf has the legend of the second incarnation of lord Vishnu inscribed on it. Lord Vishnu in order to protect the universe during the time of crisis took the form of koorma or the kacchappa or the tortoise form in satya yuga. When sage Durvasa cursed the deities to be mortal and die, they made a pact with the demons to churn the ocean bed for amrit or nectar of immortality. They used the mount Mandara as the churning stick and the serpent Vasuki as the giant rope, but the mountain seemed to sink in the ocean bed so lord Vishnu took the form of a giant tortoise over whose shell the mountain was placed and the ocean was churned. This beautiful mythological depiction inscribed in this scroll has its own importance in Hinduism. So bring this exquisite palm leaf scroll available on our site at a very reasonable price, it will not just beautify your house or workplace but will also create a religious and pious impression in your surroundings.
