Product Description

More like a full working model than a trash bin, for trash, you can hide away by this perfect solution. The Sandstone Dustbin for public park and garden fit in the most unlikely of places.

Material: Sandstone / Khondalite stone

Dimension(HWL): 42 x 36 x 36 inch

Height: 3.5 ft (approx.)

Elucidation of the Dustbin:

- The above sculpture is of a public dustbin made from durable material like Sandstone.
- A square in shape over a pedestal substructure with a smooth surface.
- Some sculptures are not just a decoration its a requirement of the recent time even the Govt of India is also installing dustbin to elevate sanitization issue at ground level.

Where to incorporate the Sandstone dustbin:

- It is an essential tool for Public Health Sanitation and Safety alongside Roads and in Public Places and parks.
- It prevents waste from littering Roads and Public Places.
- Not only in public places but also useful in Offices because Office work produces a lot of Paper waste and Waste from Office Stationery so exhibiting one in front the office will be a great idea.
- Waste is produced from food items while peeling, cutting, chopping, and cooking. Then it is discarded in the Kitchen Dustbin so having a dustbin around the house is an excellent way of enriching the house's looks.
- The Dustbin near the public toilet is also required and used by the public a lot.

Caring for the home garden statue:

- Douse the stone sculptures using a pipe or hose.
- Scrub it using a bristle brush, both inside & outside.
- When you are done with scrubbing give the stone sculptures a final shower.
- Routine cleaning will enhance the longevity of the stone sculptures.

Product Description

Elegance & functionality meet in this creative Teak wood stone lamppost. A nature-inspired look to complement park and garden lighting measures 48 inches (4 ft) that spark light from every angle. Material: Teakwood stone **Dimension(HWL):** 48 x 12 x 12 inch **Height:** 4 ft **Treatise the garden landscaping illumination post:**

- A beautiful teakwood stone lookalike Sandstone lamppost is set forth here.
- The smoothly curated lamp structure is standing over a plinth. The pedestal has a light fixture house on top of it.
- The light fixture house is a beautifully carved lamp post where you can insert your light bulb, to disperse the light from many hollows.

How do incorporate indefensible items like lamp posts:

- This lamp post can steal one's heart at first glance. A lush green lawn lined with vibrant flowers and vines installing your lamp post elevates the beauty of the exterior.
- For a simple lighting effect, you can conceal them with shrubbery it will illuminate our garden with a mystical aura.
- The lamp can be used to light garden paths, and adorn the garden seating areas (built-in).
- How about an illuminated fountain, brighten up your garden by installing the lamp post at the pathway of the pool, fountain, and pond where light reflects off of the water.
- Make your house always safe and lights up by installing a lamp post along the pathway, leading up to the house entrance.
- Give the old world charm to the garden, landscaping, and lawn to be easily visible in the dark.
- Install them along the driveway edge to provide illumination which not only helps you to park but also illuminates nearby hedges too.
- Using the light post at the entryway of any entrance on each side then there will be something alluring. As all front garden / park / home needs lighting after night falls.
- Plenty of climbing foliage over the lamp post creates a subtle glow and a soothing dose of green.
- You will be mesmerized by using it in the canopy, pergola, and deck after the sunset.

How to clean a lamppost:

- It is not as hard as it looks, as long as you follow these quick and easy steps.
 - Before getting started, it's a good idea to turn off the circuit breaker of the lamp and let the bulb cool down before you start cleaning.
 - Disassemble the lamp apart, to give each piece a good cleaning.
 - Now with a feather brush or cleaning stick to dust off the cobwebs, and lose dust, don't also forget to wipe the bulb. (It is safe to wear a glove on your hands before cleaning and fixing)
 - Scheduling your lamp post-cleaning whenever you think the garden landscaping lighting post needs cleaning.

Product Description

The gorgeous lamppost for gentle illumination finishes in such a way to suit your decor. The yellow teakwood stone outdoor garden lamp post illuminates the exact brightness and color temperature you prefer. Material: Teakwood stone statue **Dimension(HWL):** 42 x 10 x 10 inch **Height:** 3.5 ft **A disquisition of the decorative stone:**

- The structure above is an outdoor lamppost.
- A wide base on the bottom, where a plinth is placed atop which a light fixture house is made.
- The light fixture house is the place where you can insert your light bulb, with several sectional narrow holes made to spread the lighting.

Light post ideas :

- The front garden should be illuminated when night falls, especially around the front door.
- Using it near any pool or pond where the soft light reflects off water, always looks magical.
- Highlight built-in benches and other features of your patio for a warming, cozy glow with this light post.

- Add to the Alfresco for an enchanting vibe and boost the feeling of romance – perfect for intimate evening gatherings.
- Incorporating it into the driveway not only adds exterior illumination but also landscape lighting nearby.
- Putting them into driveway edges helps you to park and at the same time illuminates nearby hedges too.

Care & maintenance of the decorative stone:

- Any item that is kept or being used outside, requires regular care and maintenance. Keeping it cleaned once a month will remain reliable for years to come.
- To clean the statue first turn off the switchboard then, unassembled the detachable parts of the lamp post.
- Next step to follow by detaching the light bulb using a glove or rag for safety.
- Now using a damp cloth wipe down all the detachable parts one by one.
- Use a vacuum or a cotton broom to dust the lighting fixture house where the chances of spider waves and debris are gathered.
- Once you are done with all the cleaning, now reassemble all the parts and fix the bulb in its previous position, and enjoy the illumination.
