The story behind Budhha's posture in this granite statue: This posture indicates the story of the day after having attained enlightenment when he is ready to teach the four noble truths to people. Here Buddha is standing with his right hand raised towards the shoulder, gesturing to the Abhayamudra, and his feet are planted firmly on the ground. In Sanskrit Abhay means fearlessness. So here Budhha is providing the wisdom that'll remove the fear of the unknown. And his left-hand hangs down on the side of his body. His facial expression shows that he is at peace with life. **About Lord Buddha:** Siddhartha Gautama, the son of king Shudhodana and Queen Maya of the Shakya clan. A presage was given at his naming ceremony, that either he would be a powerful king or a spiritual leader. Although his father tried every effort to keep him away from all means of suffering and sorrows of life, raised him with wealth and luxury. At the age of twenty-nine, he was already married, and had a son. Then one day he saw an old-aged man, a sick person, at a funeral and a religious ascetic. He realizes life is full of suffering, which arises from want or loss. So he decided to leave the lavish life, that he was leading so far, in search of a way to escape from this suffering. It took him six long years to find the answer to all his quests, which he discovered finally by meditating forty-nine days under a fig tree, near Bodh Gaya. He attained enlightenment and became "Buddha" and hence became the founder of Buddhism. Buddha means "a person who is awake" or "a knower". In his enlightenment, he discovered the mind is at total peace, and the soul is merged with the universe. This state of mindfulness arises only when a person's desire and sufferings go away completely. **How to make a statement with this beautiful statute at your place: Using this craft decoration for home, office, and lawn:** Place this graceful statue near a water

body, or fountain, close to a pillar. You can keep it in your garden or lawn area for a soothing atmosphere, with plants, flowers, and trees beneath it adding more rejuvenation to the propitiate. You can place it close to a water body or fountain, along a sidewalk, your restaurant, or park that you just designed, etc. As it represents the earth element, so placing this Buddha statue in the Northeast, southwest, and center will be more auspicious according to Vastu. **How to clean to get rid of dust:** Cleaning the Buddha statute should be a pain. With a dry cloth or broom, it is enough to get rid of the dirt. Clean it once every month to keep your garden or home looking stunning. **More about the black stone and carving:** The traditional art form of Stone Carving is one of the oldest continuing traditions in the world in Odisha, especially at Ratnagiri, Lalitgiri, and Udaygiri and in and around Puri. So bring a piece of history of 2nd century India to your home.
