Product Description

Stone sculptures never go out of style. The decorative flower design is easy to install with a vintage look that suits a large range of interiors. **Material:** Sandstone / Khondalite Stone

Dimension(HWL): 2 x 6 x 6 inch **Width:** 6 inch

A sculptural flower engraving:

- The flower is engraved on a stone, inspired by the bounties of nature. The weathered finish gives it an age-old illusion.
- The sculpt is carved on a single stone with a heavy base suitable for better stability.
- The engaging structure is created by the efficient artisan of Odisha, where stone carving is famous internationally for its intricate design and unique engraving.

Placement option for the stone sculptures:

- The decorative stone can be engraved on the wall of your restaurant, hotel, and home.
- You may use it in the interior designing of flooring of your home, hotel, restaurant, and hotel.
- An complementing gift option for your loved one on their special occasion.

Guide to caring for the stone sculptures:

- The decorous statue is made of Sandstone material.
 - Sandstone is a weather-resistant and durable material.
 - For dusting go with a piece of cloth or a small brush over the surface of the decorative stone.
 - Dusting can be done periodically, to keep the dust away from the surface of the decorative stone.
-
