Product Description

“There is nothing more dreadful than the habit of doubt. Doubt separates people. It is a poison that disintegrates friendships and breaks up pleasant relations. It is a thorn that irritates and hurts; it is a sword that kills.”

This teaching Buddha is sitting beautifully in the dharmachakra pose tempting every soul towards attaining enlightenment. Here both the hands are in the chest level of the statue. With one facing inwards and other outwards, with the thumb and index finger forming a circle. This statue represents the important cycles of a human life. So be under the light of enlightenment by bringing home this beautiful statue.
