### Product Description

Here Lord Lakshmi Narayan is portrayed beautifully leaving everyone spell-bind. Lord Narayan is depicted laying down on the Sesha nag or the uncountable headed snake with four arms holding sankha (conch), chakra (Sudarshan), gadda and Padma (lotus). His better half goddess Lakshmi is depicted massaging his feet with one hand and in another hand, he holds a conch. This statue is made up of granite stone. Black granite stones are one of the finest stones available in India. Granite is acid, water and cleansing agents resistant. These stones are harder than marbles, sandstones, and limestones, so are the slowest to corrode so require the least maintenance. The beautiful expressions in this sculpture covering their faces will not only beautify your house but will also enlighten your heart and mind.
