### Product Description

The almighty Lord Vishnu here is depicted standing next to goddess Lakshmi who is his better half. This statuette is depicting the love between the deity couple who are an inseparable part of each other for ages and provide us with the fact that true love never dies and is forever alive. Lord Narayan here is depicted with two arms with one he holds the chakra and in other he forms a ring like structure using his thumb and index fingers. Whereas goddess Lakshmi standing with beautiful bhanghi next to him is having her one hand hanging down her waist. The mesmerising expression of the couple expresses pure love and depicts the sanctity of true love. So waiting for what? Bring this statuette home and fill your surrounding with the beauty of love and harmony.
