Product Description

Lord Ganesha is one among the most loved and worshiped deities in Hinduism. His iconography is done as an elephant headed deity with body of a human being. Lord Ganesha is the embodiment of knowledge, love, peace, harmony, health, wealth, righteousness, humbleness and even beauty. He is the remover of obstacles and bestower of success and prosperity. Here the lord is presented sitting on a platform with one knee resting on floor and two hands bearing elephant taming weapons like mace and noose and other hand holding a bowl of sweets and the last hand raised to bless his devotees. So to be blessed by the lord ganesha bring this beautiful idol home or place it in your office, it will not just beauty your surrounding but will also enhance the spiritual level of your surroundings.
