Product Description

Odisha is the land of varied cultures and tribes which gives birth to various forms of exquisite art works which exhibit the skill, talent, creativity and hard-work of the artisans of Odisha. Appliqué work is a big example of such art forms. Originated from a small village this art form is stealing hearts with its varied colorful patterns and designs over the piece of cloth. Here the umbrella is made out of alternate cloth combination of blue and yellow clothes. Here the yellow base having blue elephant and flower pattern stitched to it and blue base having red colored elephant and floral designs stitched to the base with white out lining giving it a bright appearance. With small round mirrors in between the flower patterns the umbrella looks absolutely stunning which will leave your spectators speechless. Grab this attractive piece at a very affordable price from crafts Odisha site.
