Product Description

Odisha is the land of varied cultures and tribes which gives birth to various forms of exquisite art works which exhibit the skill, talent, creativity and hard-work of the artisans of Odisha. Appliqué work is a big example of such art forms. Originated from a small village this art form is stealing hearts with its varied colorful patterns and designs over the piece of cloth. Here the umbrella is made out of alternate cloth combination of red and green clothes. Here the white, orange and light green wavy patterns stitched to the base giving it a brilliant texture. With small round mirrors within the floral patterns all over the umbrella, it looks absolutely beautiful. Floral and zigzag patterns are created out of the thin laces giving the umbrella a beautiful appearance. Grab this attractive piece at a very affordable price from crafts Odisha site.
